

# E-Discovery

---

We pioneered the dedicated Discovery Practice in 1995 and have more than two decades of experience advising the world's largest companies across all phases of the e-discovery process in crisis investigations and litigation of all types. *Chambers USA* (2024), *Chambers Global* (2025), and *Legal 500* (2024) have identified our practice as one of the top e-discovery practices in the country. *Chambers* states that the team is known for “hosting a substantial and sought after team of attorneys” that “regularly undertakes e-discovery management mandates on high-stakes cases and investigations.” Clients refer to us as “one of the best legal teams in the business who have a lot of experience with complex and sophisticated matters,” (*Chambers USA* 2023) and as “the premiere e-discovery practice in the nation, full stop. There is no comparison.” (*Legal 500 US*). *Legal 500* notes we have bench strength beyond measure and a team of attorneys and specialized e-discovery experts that can handle any issue, no matter how complex or massive.” Our attorneys:

- prepare and negotiate ESI protocols;
- manage and implement email, IM and mobile retention policies and defensible deletion/purging;
- conduct and manage data preservation, collection, review and production;
- develop litigation readiness tools and playbooks;
- advise on Microsoft Office 365 and mobile device challenges;
- defend e-discovery practices in court;
- manage and conduct multilingual cross-border document review projects;
- review and negotiate vendor contracts saving our clients millions of dollars; and
- perform due diligence for complex transactions.

Our world e-discovery practice is led by industry pioneers John Tucker and Ronni Solomon, and supported by the most experienced group of e-discovery
